OVERVIEW

It takes an athlete to win three stakes races, but it takes a true competitor to annex two Group 3s and a stakes race in the highly competitive Sydney circuit.

Exceptionally versatile and consistent, Pecans was a winner at 2 and has trained on to have success on good, soft, and heavy tracks. She also exhibits racing upside as she's being sold as an in-form racing and breeding proposition.

Hailing from a 2YO pedigree, Pecans' dam was a stakes-winning 2YO and her half brothers, Purdy and Secession, were both Metropolitan stakes performers at two.

FORM ANALYSIS: BY DANIEL O’SULLIVAN (@TRBHORSERACING)

Pecans is a high quality, versatile, and remarkably consistent mare that still shows the ability to win black type races. Her peak WFA Performance Rating of 97.4 places her in the **top 1.1%** of 4,065 mares to race in Australia between 1300m and 1600m during the current 2018/2019 season.

Consistency...

Far from achieving her peak as a one-off career spike like many mares, Pecan's is one of the most consistent horses in training. In her last 11 racetrack starts, she has rated within 1 length of her career peak on eight occasions, which is remarkable. Her recent form is right up to that mark with a last start 97.3 rating in the G3 Belle Of The Turf Stakes at Gosford in December 2018.

In 20 total career starts she has won six times and finished second five other times.

Versatility....

Pecans has proven herself to be equally effective on every type of surface from Good 3 tracks to Heavy 10, with a peak or very close to peak performance across that full spectrum.

Her tactical speed makes her able to overcome wider barrier draws, settle handy to the lead and still run up to her best. In the last two seasons she has drawn barrier eight or wider in six starts for three wins, including the Group 3 Godolphin Crown at Hawkesbury over 1300m.

A genuine black type performer...

Not only do the quality and consistency of Pecan's performance ratings highlight her as a genuine black type performer, the resume of those she's defeated to win black type races shows a significant amount of depth around her form.
