## FORM ANALYSIS: BY DANIEL O'SULLIVAN (@TRBHORSERACING)

Symi's form and ratings up to 1400m suggest **she has plenty still to achieve on the racetrack**.

A **94.4 peak rating**, achieved behind Nakeeta Jane in the G1 Surround Stakes coupled with an official handicappers rating of just 68 is a terrific scenario for a Filly/Mare to be appropriately placed and work through the grades, maximising prizemoney on the way to realising her full potential.

After just seven starts, that potential can certainly include new rating peaks that could see her win black type races in NSW, VIC, QLD or SA. Over the last 3 seasons, 49% of F&M Listed and Group 3 races between 1200m and 1400m have been won with a rating that is no more than one length better than Symi's existing 94.4 peak (or lower.)

Hailing from a **very active family**, Symi is a full sister to **\$1.9 million earner** and Blue Diamond heroine Catchy
