OVERALL PROFILE

| | |
|------------------------------|---|
| WFA Performance Rating peak: | 98.6 - Won by 2 lengths over 1000m at Ascot on 20/10/18 against older horses, carrying a massive +6.5kg over WFA as an early three-year-old Filly. In the past four seasons, only four individual three-year-old Fillies in Western Australia have recorded a higher sprint rating (1000m to 1200m.) Agent Pippa's 98.6 peak ranks in the top 1.5% of over 7,400 metropolitan sprint performances by three-year-old Fillies across Australia (last four seasons). |
| Next best performances: | 93.6, 93.1 |
| Racing Style: | Leader |

Agent Pippa's precocity with blistering early speed was on display when she debuted as a two-year-old over 1000m at Ascot, clocking a first 400m speed rating that ranks in the top 10 of over 4,900 two-year-old performances at 1000m across Australia.

She's one of only 2 two-year-olds in that top 10 who was good enough to go that fast early and still win. The other was Bellevue Hill who went on from his 1000m Canberra win in February 2019 to run second at his next start in the G2 Todman Stakes at Randwick, before winning at G3 level his following start at Rosehill.

In Sprint races up to 1100m, horses that either lead or settle second in the run represent 21.6% of total runners, but win 42.5% of the races. Agent Pippa has led in seven of her 10 starts so far and settled outside the lead in her other three starts. Her early speed is an asset for future success on the racetrack.
