Our Crown Mistress was a stakes class 3-year-old filly that trained on into her four-year-old season across an 11-start career stamped by speed, toughness and consistency.

Speed & Toughness...

It's a well-known fact that early speed is a huge asset in racing. Leaders win a far higher percentage of races than any other position in the field and this was certainly a strength of Our Crown Mistress.

In her 11-start career she led 7 times, settled 2nd in running on three other occasions and only once settle further back than 2nd in the run.

She did this mostly from middle to wide draws, often working early in the run and still fighting off all challengers, as she did when winning the Listed Just Now Quality over 1350m at Doomben from barrier 9.

Our Crown Mistress's speed qualities extended well beyond early tactical speed though. While able to relax and settle into a slow speed and kick in the straight to win, she was equally able to run along at a high cruising speed, absorb pressure and win in fast overall time.

In her win over 1400m at Caulfield on 21/10/2017, she shared the lead at a very fast early pace (+11 lengths faster than the track and distance average) and kept running to win in an excellent overall time rating.

That time rating ranked in the top 2% of more than 2,000 three-year-old fillies to run over 1400m in the past four seasons.

Consistency...

There are few horses that show the consistency of Our Crown Mistress. A winner of five of her 11 starts, including two Listed races, she produced a performance rating within 1 length of her peak on six occasions. 9 of her eleven career runs were within 2.5 lengths of her absolute best.

She ran to her peak or within one length of that at distances ranging from 1200m to 1400m and from ground rated Good 3 to Soft 6.

The combination of early tactical speed, the toughness to absorb pressure on the lead and run fast time and the ability to perform so consistently are very appealing, race winning traits that Our Crown Mistress can pass onto her progeny.
