Sedanzer is a classy, versatile and tough mare.

In her four-year-old season she recorded a peak WFA Performance Rating of 99.7, ranking her in the top 0.55% of over 11,800 individual Fillies or Mares of any age to race at any distance during that season.

Far from being a one hit wonder, Sedanzer was remarkably consistent, running within one length of her absolute best, which equates to a stakes class 98+ rating in six of her nine runs during her four-year-old season.

She then returned in her five-year-old season with two additional performances in that range - beaten 1.5 lengths in the G2 WFA 1600m Chelmsford Stakes and 1.8 lengths in the G1 2400m Metropolitan Handicap.

As it stands, Sedanzer has record eight performances with a rating of 98 or better, something achieved by just 0.2% of the racing population.

She has won a distance ranging from 1400m to 2200m on Ground rated from **Good 3 through to Heavy 8**.

One of her key assets has been her ability to produce peak rating performances in slow run races that required the leg speed to run fast closing sectionals needed to win and equally, strongly run high pressure races that required superior stamina to outstay rivals and win in fast overall time. Sedanzer has proven effective in both scenarios which is a terrific trait she can pass on to her progeny.
