## OVERVIEW

Hailing from a **super fast family** including her ½ brother, 2YO Champion Super One, Super Too was all speed in her own right. Super Too was a **winner on debut at two** and went on to prove her class, placing behind top sprinters like Redzel, Snitty Kitty and Spright in Group sprints in Melbourne and Sydney.

By Hinchinbrook, Super Too possesses a pure sprinter's physical and could add pure speed to your broodmare band.

Super Too was a high-quality mare with **blistering speed** and the substance to not only be up and running early as a two-year-old, but also train on into her four-year-old season.

At her debut as a two-year-old, Super Too jumped straight to the front and proved far too speedy for her opposition at Canberra, easily defeating Flash Fibian by one length.

That performance was stamped with quality when Flash Fibian went on at his next start to finish one length second to Defcon in the G3 Black Opal Stakes, beating home subsequent G1 winner Prized Icon in 3rd.

Super Too returned in her three-year-old season to win her first two starts at Gosford and Wyong before later that preparation taking the big step to Group class, finishing a valiant second a valiant second to Group 1 winner Spright.

Such early running types can fail to train on as older horses, but **Super Too returned as a four-year-old mare with new peak performances**, winning in dominant fashion at Randwick and Moonee Valley, before finishing second in the Group 2 Caulfield Sprint.

In the following Autumn she ran up to her peak again when 3rd to Redzel in the G2 WFA Challenge Stakes, with Group 1 placegetter Viridine and Group 1 winners English and Terravista behind her.

The quality of substance around Super Too's form is well and truly backed up on the clock. **She had blistering speed and at her best ran times that few horses can match over 1000m.**

**Her two fastest time ratings rank in the top 40 of over 9,200 individual performances at 1000m on metropolitan racetracks across Australia.**

Her profile of **an early runner with blistering speed and the ability to train on** is very much something that runs in her family.

Super Too is a half to **Super One**, who was the 2015 Champion 2YO in Singapore after winning four from four by an average margin of 3.9 lengths. Speed was his greatest asset and he subsequently trained on into his three-year-old season in Australia, easily winning at G3 level over 1100m at Morphettsville.

The potential for Super Too to pass on these traits to her progeny is an exciting prospect for any breeder.
